This month's question:

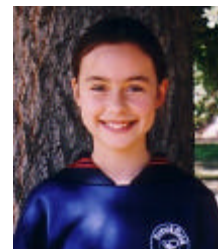

What Would Your Fantasy Pet Be?

Aditya Agarwala, 9, 4th grade: It would be a raven because I like birds.

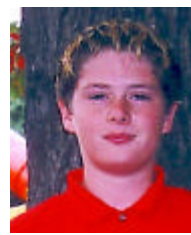

Elisabeth Lucien, 10, 4th grade: I want a dog/ guinea pig/snake because it's weird and I like weird animals.

Yeva Bulgakova, 9, 4th grade: A dog because I like dogs.

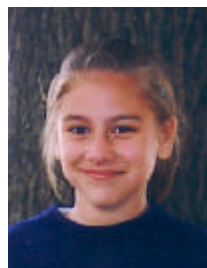

Kevin Crawford, 11, 6th grade: I want a snow leopard. They're cool!

Mark Niswander, 12, 6th grade: An alive 50-dollar bill because I like money.

Matthew Spindler, 11, 6th grade: A foromae (microscopic organism) because I read a good book about it.

Sadie Barnard, 11, 6th grade: I want a tomcat. They are interesting animals that are independent.

Gabriela de Cos, 10, 5th grade: A kitten because they are cute and soft.
