

What's the Buzz?

By Lauren Mackey

This month's question:

What place would you want to visit and why?

Jennifer, Pre-1st, 6: Ha-waii, because my cousins are there.

Katie Rose, 6th grade, 12: Germany, because my friends and relatives live there.

Madison, Pre-1st, 5: The desert, because I want to see snakes and the cactus. I love them.

Carly, 2nd grade, 7: Flor-ida, because you can swim with dolphins there.

Johnathon, 3rd grade, 9: Hawaii, so I can have some sugarcane and stay by the beach.

Courtney, 1st grade, 7: Japan, because I want to visit my relatives.

Kendall, pre-1st, 6: Flor-ida - it's warm there.

Alexander, 3rd grade, 8: I would go to Chicago be-cause I can visit my cous-ins there and I could stay in my grandmother's cot-tage.

Paige, 4th grade, 10: Den-mark, because my mom went there when she was in high school and lived with another family for a year.
