Do YOU Have old TVs, computers, monitors, digital cameras, cell phones, or other “e-waste” in need of disposal? St. Francis High School's Robotics Team is hosting a free e-waste collection day on the SFHS campus parking lot on Sat. Oct. 3 from 9:00AM-1:00PM. This is a fundraiser for the Fembots, the robotics team that has graciously offered their sponsorship to our new Brookfield Robotics Team. Please help support them and “go green” at the same time.
