

WEDNESDAY MEMO

Calendar Updates and Timely Information

Be sure to check your child's **BLUE FOLDER** today. It contains the order forms for the "new and improved" hot lunch menu provided by our Bake Sale Parents! Menu items include pizza, burritos, teriyaki bowls, and La Bou sandwiches! **Please turn your order forms in at least 1 week prior to the first order you request to allow for processing.**

Back to School Night is tomorrow, Thursday, Sept. 2, from 5:00-6:30PM. The schedule for the evening and map of the school is attached to this email. Please plan to start your evening in the social hall at 5:00PM for the Principal's Welcome.

Note: After school care hours will be extended to 6:30PM tomorrow for your convenience. If you need care for your school age child during Back to School Night, you may bring your child to the multi-purpose room at 5:00PM. Sorry, we cannot provide care for younger siblings.

Be sure to drop by the multi-purpose room sometime during your visit to enjoy the refreshments provided by the BPA, learn about our after school sports program, and order athletic uniforms, spirit wear, and Brookfield sweatshirts and fleece wear for your child.

It's not too late to register your child for Music, Art, after school sports, and clubs. Most activities officially begin the week of Sept. 13th. Contact Mrs. Schumacher in the office if you have lost your registration forms.

Community Service Program

As part of our school's mission to develop well rounded leaders, we are introducing a community service component to our program. Grades P1-4 will adopt a project as a class to introduce service learning to our younger students. Students in grades 5-8 may participate in our optional middle school community service activities. Students may log their community service hours for recognition on their report cards and to earn end-of-year awards. Dr. Jo will explain the details of the program in her Back to School Night presentation.

Don't be late for school! We have a new policy in place for tardy students. 3 tardies in one term = lunch detention. This policy is for students at all grade levels. Students who are not in their seats by 9:00AM are late.

Do you purchase cereal and other General Mills products? Please collect the box tops for us and turn them in to your child's homeroom teacher. See the attached flyer.

****Don't forget, **NO SCHOOL** on Monday, Sept. 6th (Labor Day), and Thursday, Sept. 9th (Rosh Hashanah).****
